

Southern Nevada Public Land Management Act ROUND 7 Nomination Package Requirements for Capital Improvements

I. GENERAL REQUIREMENTS:

1. All nomination packages for Capital Improvements are to be submitted to John Kerrigan, Interagency Capital Improvements Program Manager, Bureau of Land Management (BLM) Las Vegas Field Office (LVFO), Division of Land Sales & Acquisitions, 4701 N. Torrey Pines Drive, Las Vegas, NV 89130. Applicants are required to submit one (1) hard copy and one (1) electronic copy (3.5" disks or CDs). Text should be created in MS Word "97" or higher. All text and images should be integrated into a single document on the disk or CD. This will require scanning maps, photographs & other documents which were not originally created or obtained electronically. Photographs & maps should be scanned in .JPG format for insertion into the text document. Nomination period begins 6/12/06 and ends 8/10/06.
2. Time permitting, nominators will be notified if their nomination package is incomplete and allowed a brief period to provide missing information.
3. Late submissions cannot be considered.
4. Incomplete nomination packages cannot be considered.
5. All nomination packages, including disks and CDs, become the property of the BLM LVFO Division of Land Sales & Acquisitions and will not be returned.
6. A more detailed cost summary sheet by category is included for your use and is required to be submitted with all nomination packages.
7. Nomination packages are to be signed off (initialed) by the appropriate Federal Manager prior to submission.
8. Nominations for project construction where LEED standards exist, should address the cost analysis and feasibility of constructing the project to meet said LEED standards.
9. Agencies requiring consultation under the Endangered Species Act with the Fish and Wildlife Service, will identify such projects and provide an estimate of the cost of the Consultation as a separate line item on the cost analysis work-sheet. Funds for said Consultation will be transferred directly to the FWS.
10. Appendix B-9 "Examples of Estimated Necessary Expenses", is included.

II. CAPITAL IMPROVEMENT NOMINATION PACKAGE REQUIREMENTS

The Southern Nevada Public Land Management Act of 1998, Section 4(b)(3)(ii) allows money from the

special account to be expended for:

“ . . . capital improvements at the Lake Mead National Recreation Area, the Desert National Wildlife Refuge, the Red Rock Canyon National Conservation Area and other areas administered by the Bureau of Land Management in Clark County, and the Spring Mountains National Recreation Area.”

Capital improvement projects may include repair or rehabilitation of existing infrastructure, new construction, or improvements needed to protect resource values. All projects that are submitted for funding consideration must conform with approved management plans for the Federal unit involved. Each project should materially contribute to effective resource protection, the visitor experience and/or improved unit operations. Since the capital improvement needs of the four Federal agencies are great and funding is limited, the funding priorities need to incorporate a strong cost management system and ethic.

Eligibility

Capital Improvement projects may be nominated by any of the four Federal land management agencies (BLM, FWS, FS, and NPS).

Nomination packages for Capital Improvements MUST include the following:

- ☐ Project title, contact person/project manager, phone, and e-mail.
- ☐ Federal manager initials.
- ☐ A page size map(s) (8-1/2" x 11") depicting the specific location of the project.
- ☐ Completed Appendix B-3 Cost Estimate Sheet.
- ☐ A narrative addressing the following:
 1. A general description of the project.
 2. The approximate cost of the project.
 3. A description of operation and maintenance requirements and associated costs once the project is constructed and who will be responsible for these costs and requirements.
- ☐ A detailed cost analysis. (Summary sheet included for your use).
- ☐ A narrative providing answers to each of the following questions:
 1. Does this project improve safety and environmental health at sites and/or facilities used by the public and governmental employees?
 - Addresses, remedies or improves an immediate safety public access and/or environmental health concern.
 - The number of visitors and employees affected.
 - Provides educational value for an environmental or health concern.
 - Addresses ADA compliance.

2. Does this project protect the integrity of significant resource values or improve the quality of the environment?
- Minimizes environmental or resource impacts.
 - Nature of the concern to resource values and urgency for action.
 - Number and significance of resource values involved including cultural, historical, natural and scientific values.
 - Provides educational value.
3. Does this project respond to visitor demand and/or changes in visitation patterns?
- Corrects a deficiency in visitor services, or responds to deferred maintenance.
 - Public demand and public use vs. investment required.
4. Does this project describe maintenance and/or operation impacts?
- Project improves operations and/or maintenance over existing situation.
 - Project has no effect on operation and/or maintenance over existing situation.
 - Project will have operations and/or maintenance impacts, but project is required to address deficiencies, or deferred maintenance.
 - Project has Green Building and/or sustainable design.
5. Is this project your number one (1) priority?

Nomination packages for Capital Improvements MAY include the following:
--

- ☐ Photos and/or drawings of the project.
- ☐ Letters or materials supporting cooperation in the funding of the activity.
- ☐ Any other materials that may convey meaningful information.
